Through her artwork and art shows, Denyse has launched her new foundation to raise funds and awareness for these self-esteem programs to be available in Saskatchewan Schools. "Being Friends with our Beauty Foundation" was created by Denyse through this colourful artwork delightfully entitled "The Girls". Born and raised in Saskatoon, Denyse has been creating her amazing art for over 24 years.

***"With these new creations I have organized my own art shows, which has given me the opportunity to use a percentage of the revenues to raise funds for organizations who's values I believe in. It has been one year since the creation of "The Girls" and I am now sharpening my focus and direction to the issue of building strong self-esteem. My passion is to use my art as a vehicle to connect people - to inspire, and celebrate who we are inside and out, so we can teach children to have a strong sense of self-worth and confidence in themselves." - Denyse Klette***

To date, many local business owners and residents have expressed sponsorship interest and many have come on board in full support of the foundation and art show including Living Sky Magazine, OPTIKA Eyeware, Positive Passions, Industry Images Creative Studio, Strongfield's Cafe, Ravishing Clothing for Women, Dutch Growers, the Bessborough Hotel and Handy Special Event Centre.
